

The use of the MapText, Inc. provided font files is restricted to only the viewing, editing, and printing of the annotation generated by Label-EZ software used in the FEMA mapping program. Any other use of the font files for any mapping application or otherwise is prohibited. If you want to use the font files for other projects or get licenses to the Label-EZ and Label-Edit software packages – contact MapText, Inc. sales team at sales@maptext.com or (732) 940-7100.
