After

Improvements to Plan Update Information

New message when cloning a plan that reminds you to enter a plan update number before saving the plan, and the Plan Update Number is a required field:

Plan Preparer: [text field]

Plan Entered into NEMIS:

*Plan is an Update:

*Plan Update Number: 0 [dropdown]

Please provide Plan Update Number before saving plan.

The Plan is an Update and Plan Update Number fields are editable in all instances. Previously you could only edit them after cloning a plan.

Plan Expiration Changes

The Plan Status for a plan will automatically update to Expired when the current date is the same day or after the Plan's Expiration Date. For example, if a plan's expiration date is July 4th and the Plan Status is Approved, with the release of the service pack, the Plan Status will change to Expired. Also, if a plan's expiration date is August 8th and the Plan Status is In Review, with the release of the service pack, the Plan Status will change to Expired

For all new plans, the Expiration Date is calculated using the following rules:

Plan Type	Approval Dates	Calculation for Expiration Date
Multi-Jurisdiction, Single Jurisdiction, and Standard Tribal	All Dates	Approval Date plus 5 years
Enhanced State, Enhanced Tribal, and Standard State	≤ 05/28/2011	Approval Date plus 3 years
Enhanced State, Enhanced Tribal, and Standard State	> 05/28/2011	Approval Date plus 5 years

Jurisdiction Status Tab Changes

All columns in the Jurisdiction Status tab are sortable by clicking on the column header.

The Approval Date column has been removed.

Old Jurisdiction Status Tab

New Jurisdiction Status Tab

Plan Review Status Tab Changes

The following fields are optional: Correspondence Date, Correspondence Type, and Date Review Started.

The Days in Review field is titled Days in Region, which is auto-populated based off the following calculation:

Is Correspondence Date Populated?	Days in Region
Yes	Correspondence Date minus Date Plan Received
No	Current Date minus Date Plan Received

The Days in Review value is also included as a column in the Plan Review Tab:

Jurisdiction Status		Plan Review Status				
Submission Number	Date Plan Received	45 Day Date	Date Review Started	Days in Region	Date Review Completed	

A new field titled Days in Review is listed in the Reviewer section. A Days in Review value for each Reviewer is auto-populated using the following calculation: Date Review Completed minus Date Review Started.

Add Plan Review

Complete the following fields. Select the 'Add Plan Review' button to add changes. When this window closes, you must select the 'Save Plan' button to save this data to the Plan Review Status. Selecting the 'Cancel' button will delete any changes not saved.

Add/Edit Plan Review

*Submission Number	<input type="text" value="1"/>	*Date Plan Received	<input type="text"/>
*Review Type	<input type="text"/>	45 Day Date	<input type="text"/>
Correspondence Type	<input type="text"/>	Days in Region	<input type="text"/>
Correspondence Date	<input type="text"/>	Date Plan Documentation Completed	<input type="text"/>

Add Reviewer

*Reviewer Name	<input type="text"/>	Date Review Started	<input type="text"/>
Reviewer Comments	<input type="text"/>	Date Review Completed	<input type="text"/>
<input type="button" value="Add Reviewer"/>		Days in Review	<input type="text"/>

Reviewer Name	Review Started	Review Completed	Days In Review	Review Comments
